EDUCATION

BANGLORE CITY UNIVERSITY
BCA IN COMPUTER Application
Grad. Nov 2024 |Bangalore, India
Acharya Institute of Graduate Studies
NAAC: A+(Grade)
CGPA: 9.06

Pre-University Education
Grad. May 2023| Hassan, India
St. Joseph's PU College
Cum. Per: 92.67%

COURSEWORK

UNDERGRADUATE
Object Oriented Programming
Problem Solving Technique
Data Structure
Database Management System
Operating System
Computer Networks
Defending Computer Networks
Machine Learning

ADDITIONAL LEARNING
Artificial Intelligence Developer
Cloud Computing (DevOps)
Full Stack Web Developer

SKILLS

PROGRAMMING
Languages:
- Advance: Python
- Intermediate: C++, Java, C
- Novice: JavaScript

Tools:
- Git •Windows •MySQL
- VS Code •MongoDB

Framework & Library:
- Express.js •React.js • Bootstrap

Technologies:
- CI/CD •Kubernetes •Terraform
- AWS •Docker •CSS

- Public Speaking •Teaching •Debat

EXPERIENCE

Netflix Clone | HTML, CSS
- Developed a Netflix-inspired web page using pure HTML and CSS.
- Implemented a responsive UI for seamless viewing on different devices.
- Designed a homepage with navigation, banner, and movie sections to replicate Netflix's look.
- Used CSS animations and flexbox/grid layout for a modern design.

ListenME | HTML, CSS, JavaScript
- Developed a responsive Spotify-like music player using HTML, CSS, and JavaScript
- Designed an interactive UI with a playlists and a playback control panel
- Ensured mobile responsiveness using flexbox, grid, and media queries.
- Applied CSS animations and transitions for a visually appealing user experience

MERN Stack Deployment | Docker, Docker Compose, MongoDB, Express, React, Node.js
- Containerized a full-stack MERN application to ensure consistent environments across development and production
- Configured Docker Compose to manage MongoDB, Node.js (backend), and React (frontend) services as isolated containers
- Practiced clean code separation and environment variable management for scalability and security

CERTIFICATION

- IBM AI Developer Professional Certificate
  Issued by: Coursera | Authorized by: IBM
- AWS Cloud Technology Consultant Professional Certificate
  Issued by: Coursera | Authorized by: AWS
- Google IT Support Professional Certificate
  Issued by: Coursera | Authorized by: Google
- Software Development on SAP HANA
  Issued by: Coursera | Authorized by: SAP

ACHIVEMENT

COMPETITIVE PROGRAMMING & ACADEMICS
- Top 20 coder at Acharya Institute of Technology
- Solved 200+ DSA problems on LeetCode
- 2nd place, Inter-College AI Debate (2025)
- Student Council President, St. Joseph's
- Recognized for leadership and time management
